Holidays

We, the National Executive, wish everyone a most enjoyable summer holiday. I know that many parts of the country are still waiting for our usual warm, sunny, reasonably dry summer weather to arrive, however, may the weather, whatever it may be, not deter us from enjoying the things we like to do during the summer. May you all stay healthy, stay safe when travelling, and enjoy good times with your family and friends. We will meet many of you at Sobor, 2010.

God Bless!
